**Order form instructions:** The blue cells in the order form indicate where to enter your details and your order quantities. At the top, please enter your delivery address, delivery recipient, purchase order number and invoicing entity (such as U@MQ or Macquarie University). Then, scroll down to find the relevant garment row. Check the row for the garment type (male or female) and the column for the size, and enter your quantity into the corresponding blue cell. ### Please note:

- All prices are listed ex-GST.
- Each garment has a minimum order quantity of 25 per style (male / female), with the exception of the Professional Jacket which is 50 per style. Orders from across the university will be consolidated to help us reach these minimums, however they must be met to be able to place the order. If there are any issues with a garment you have requested, you will be advised via email Friday 4 October.
- If you require a smaller or larger sized garment than is currently listed in the catalogue, this can be accommodated. Please write any additional size requirements under the order table and make a note in your email.
- A range of size and samples are held in Group Marketing. If you would like to try on any of these garments, please email [jennifer.page@mq.edu.au](mailto:jennifer.page@mq.edu.au) in Group Marketing to arrange access.
